

SHRI CHANDRA DEV CHALISA || श्री चंद्र देव चालीसा ||

In Hinduism, the Moon holds a significant position. Lord Chandra is considered a symbol of peace and gentleness, and he is associated with mental health and emotional balance. In Vedic astrology, the Moon represents the mind and mental state. Worship and fasts dedicated to the Moon, such as Karwa Chauth, express devotion and gratitude towards him. Different phases of the Moon are considered auspicious for religious and spiritual activities. Therefore, worshipping the Moon is important for mental peace, prosperity, and spiritual growth. Let us explore the *Chalisa* of Lord Chandra, whose recitation brings the blessings of the Moon God.
